

Do You Want to Stand With Survivors All Year Long?

You can have a direct impact as a member of the Aurora Healing & Advocacy Services Giving Circle

Aurora Healing & Advocacy Services in Milwaukee provides trauma-informed care including crisis medical care, advocacy, and short and long-term healing counseling for women, children and men experiencing sexual violence, as well as pregnant women experiencing domestic abuse. **The Giving Circle, a diverse group comprised of survivors of sexual and domestic violence, their allies, and community supporters, supports these critical services.**

The Aurora Healing & Advocacy Giving Circle began in 2016 when a group of 10 founders came together to form a group that would pool their donations and jointly direct funds to selected projects.

The Giving Circle allocated \$47,000 in its first two years to help survivors of sexual and domestic violence heal and thrive!

- 1. Safe Mom Safe Baby = \$14,000**
Counseling and basic needs for pregnant and new mothers fleeing domestic violence
- 2. Healing Services = \$10,000**
Growth and empowerment activities for survivors
- 3. Crisis Care = \$12,000**
Purchased equipment to improve access to care
- 4. Outreach = \$4,000**
24/7 hotline awareness campaign
- 5. Prevention = \$7,000**
Supported Aurora's participation in the Milwaukee Sexual Assault Review

The Aurora Healing & Advocacy Services Giving Circle is a unique, diverse group of survivors and allies, who pool their donations to support special projects.

Aurora Health Care Foundation*

How it works

Members of the Aurora Healing & Advocacy Giving Circle each contribute \$1,000, pool their donations, and caucus together to allocate funds to key projects identified by the leaders of Aurora Healing Centers at Aurora Sinai Medical Center, Aurora West Allis Medical Center, Aurora Healing Center on Bruce, Sojourner Family Peace Center and Safe Mom Safe Baby.

Funds received by June 30, 2019 will be available for members to allocate at the August 2019 Giving Circle annual meeting for 2020 distribution.

You can have this kind of incredible impact, too, with a new or increased gift of \$1,000. You will receive:

- Members-only invitations to tour programs, and talk with program leaders, caregivers and survivors
- Quarterly reports on the impact of Giving Circle allocations
- Members-only rate for tables at *Hope Shining Blue*, our annual Denim Day celebration of survivors' courage and resilience
- An annual opportunity to renew membership in the Giving Circle
